9 - RANKINGS OF THE EUROPEAN MASTERS (FINAL)

9-1 Individual Masters (14 titles)

Each test will result in a ranking of first to last qualifying competitor. Competitors ride individually and under the rider Nationality colors.

In the case of a draw/tie between competitors, the competitor wearing traditional dress will be ranked ahead. If there is still a tie, the highest overall score will decide the final ranking. If a tie still exists the competitors will be ranked equally.

9-2 Masters National team (circuit)

For team ranking, this is calculated by adding the scores accumulated in percentages to 3 decimal points. The top 13 percentages attained by competitors for each team count but with the following restrictions:

Only the top 13 percentages achieved by the competitors for each team will be calculated but under the following rules:

- Two young horse results (PRIMERA or NOVILLA)
- The 5 best results obtained in Freestyle (CARMENCITA, FLAMENCA, FANDANGO, LUSITANIA, BAILARINA and IBERICA), only the top 2 from each Freestyle test count
- The best 6 results obtained in the tests: GOLEGA, SEVILLA, LISBOA, MADRID, MAGISTRALE et REYALE
- The 2 lowest scores are then deducted for an accumulation of 11 results

In case of a tie between teams, the lowest score will be reinstated. If the tie still remains a 14th best result (whatever its origin) will be included in the calculation. If a tie still exists, a 15th result will be included in the calculation and so on until the tiebreaker between the teams.

The top 3 teams will be rewarded on a podium with medals for: Gold, Silver and Bronze

9-3 European Champion Title

For the European Champion title, a combined ranking will be established alongside the individual Masters tests, this title will be presented on a podium with medals for the first 3: Gold, Silver and Bronze.

Final places are calculated by adding the average scores of tests achieved in percentages to three decimal points. In case of a tie, the competitor in traditional dress will be ranked ahead. If still tied, the best total points for the set of the highest tests (Novilla or Freestyle) decide the ranking. The rider presence is mandatory for the awarding of prizes, under penalty of disqualification.

There will be 7 European Champion Titles in 2023

Level Young Horse= PRIMERA + NOVILLA
