

27th Final Masters du Cheval Ibérique 2023

HEALTH CONDITIONS

Inspection upon arrival

As part of health safety procedures, free and clinical examinations can be conducted on the arrival of the equines on the site of the 2023 Europe final of the Iberian Horse Masters.

Horses must be in a good overall condition and each of the elements listed below must also be presented. If the clinical examination is debatable, the animal/horse may be placed in quarantine stables that are situated outside the exhibition, and in more severe cases, the horse will be refused admission to the exhibition.

Veterinarians and the Organising Committee reserve the right to exclude any horse which does not meet these Conditions

Mandatory elements

For all horses

- **The identification papers with the description** noted by an official veterinarian or a studbook agent or provisional certificate for those waiting for the definitive description of the studbook.
- **An electronic transponder.**
- For professional transporters: Type 2* certificate and Certificate of competence

Horses in France

- **A health certificate** from the licensed veterinarian of the departure farm stating that the horses or equine species being exhibited have been free for at least 30 days from clinical signs of any infectious disease. It must include the order number of the veterinarian, the address of the horses' usual place of residence, the name and SIRE number or transponder of the horse(s) concerned by the certificate.
